West Bay- Mixed Use Development / Projet de Développement diversifié

The West Bay project is situated on a spacious site spanning over 2,000 square meters, thoughtfully designed as a mixed-use development. The ground floor of this impressive complex hosts a commercial space, offering convenience and accessibility to various businesses. Above, you'll find our carefully crafted residential units, elegantly occupying three floors.

The site is meticulously equipped with ample parking facilities and lush green spaces, ensuring safe and a serene environment for our residents.

Our residential offerings encompass 8 meticulously designed apartments and 3 luxurious penthouses, each exuding an aura of sophistication and comfort. Additionally, a communal leisure area, along with a rooftop swimming pool, has been thoughtfully provided, offering a perfect escape for relaxation and social gatherings.

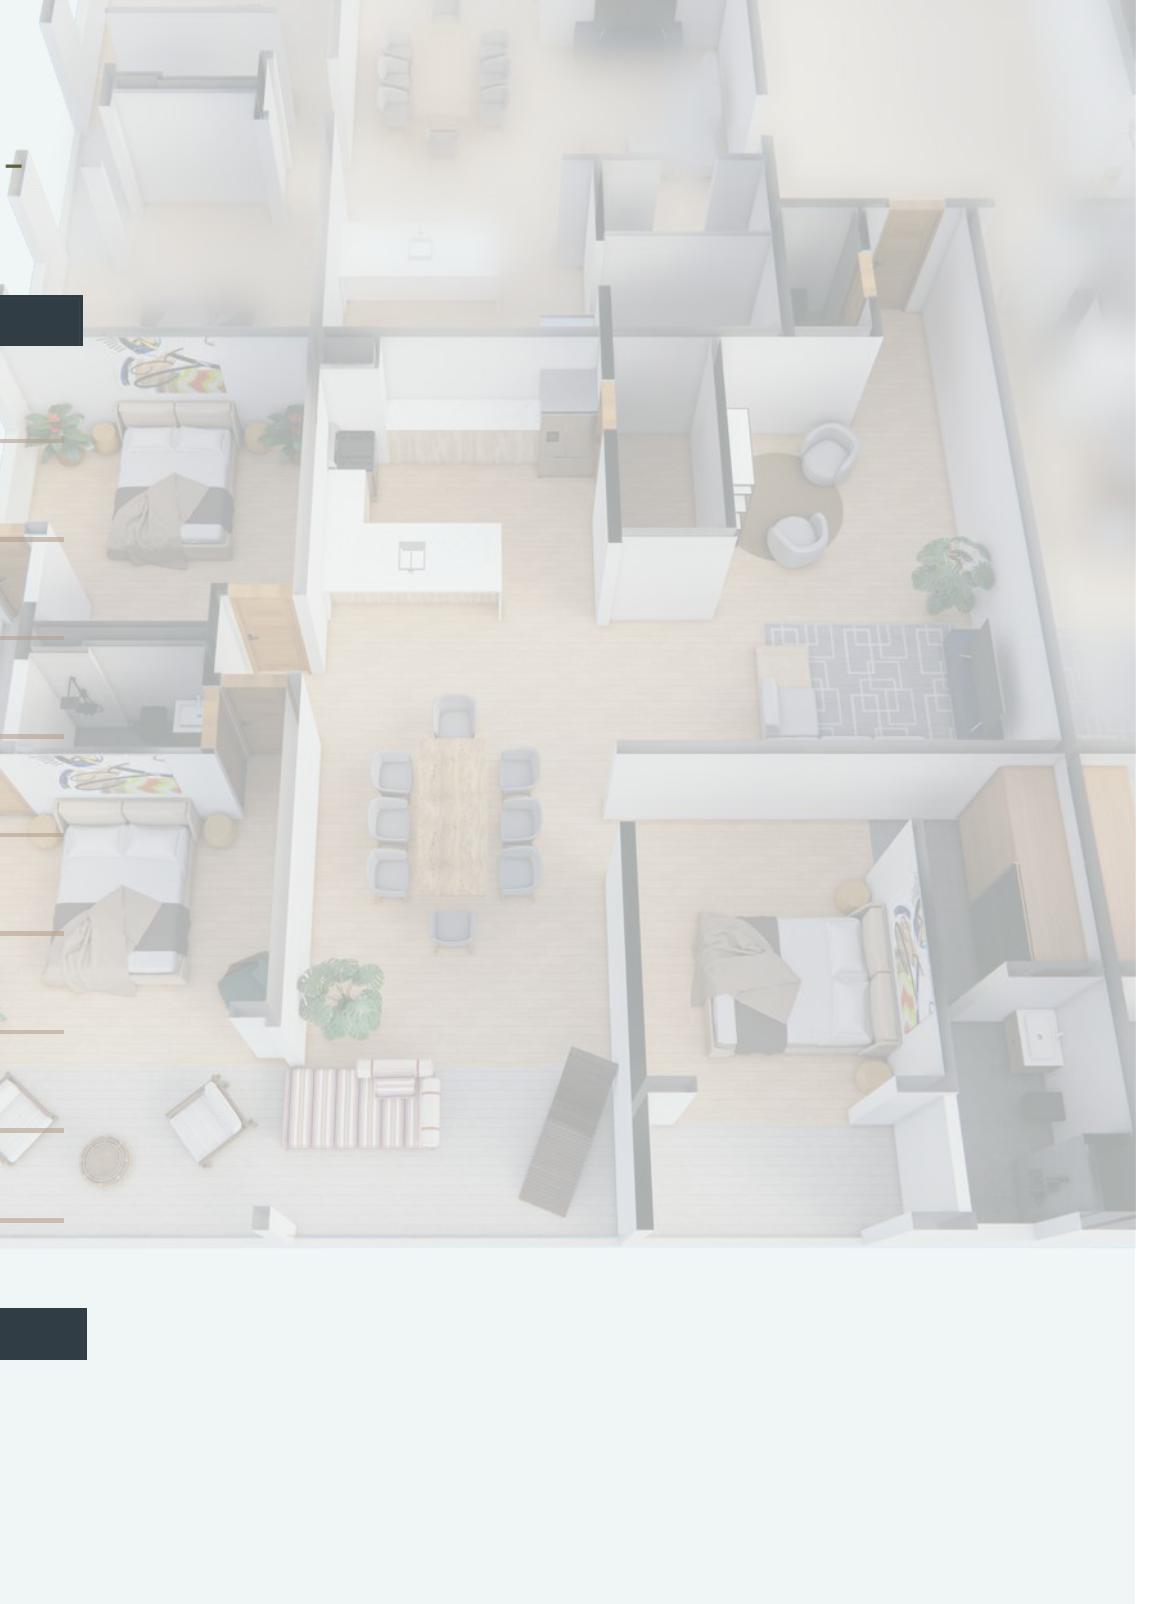

Le projet West Bay est situé sur un site spacieux de plus de 2 000 mètres carrés, soigneusement conçu comme un développement mixte. Le rez-de-chaussée de ce complexe impressionnant abrite un espace commercial. Aux niveaux supérieurs se situent nos unités résidentielles minutieusement conçues, occupant élégamment trois étages.

Le site est conscientement équipé de places de parking abondantes et d'espaces verts luxuriants, garantissant un environnement sûr et serein pour nos résidents.
