

An aerial photograph of a residential estate nestled between lush green agricultural fields and a coastline. The estate features a cluster of modern houses with blue roofs, surrounded by trees and greenery. A winding road and a small pond are visible within the estate. The surrounding landscape is a patchwork of green fields, some of which appear to be vineyards or orchards. The overall scene is peaceful and scenic, highlighting the estate's location between land, sea, and sky.

NEW PHASE

RESIDENTIAL LAND

Alteo's Vision for Mont Piton

At Alteo, our vision for Mont Piton has always been to create an exclusive, premium residential estate that offers more than just land – it provides a unique lifestyle. Situated in a prime location, with panoramic views, Mont Piton combines prestige, convenience, and an unparalleled living experience.

Our commitment to sustainability and community well-being is reflected in every aspect of the development, making it a prime location for those seeking a perfect balance between modern comforts and natural serenity.

An iconic project

"From its inception, we envisioned a place that would attract both families and investors by offering not just secure living, but an authentic rural lifestyle that enhances well-being.

The success of Phases 1 and 2, along with the growing demand for plots at Mont Piton, stands as a testament to the appeal of this vision. Mont Piton has evolved into a landmark address in the North, offering scenic landscapes, modern amenities, and exceptional views."

A PROJECT BY alteo

Mont Piton stands out as a key focus for Alteo Property Cluster, with a long-term strategy to become a leader in real estate development. We specialise in promoting off-plan properties and serviced plots catering to both local and international clients while supporting and enhancing the relationship with the local communities within which these projects are embedded.

In addition to Mont Piton, we offer high-quality projects at Anahita Beau Champ, and Trou d'Eau Douce.

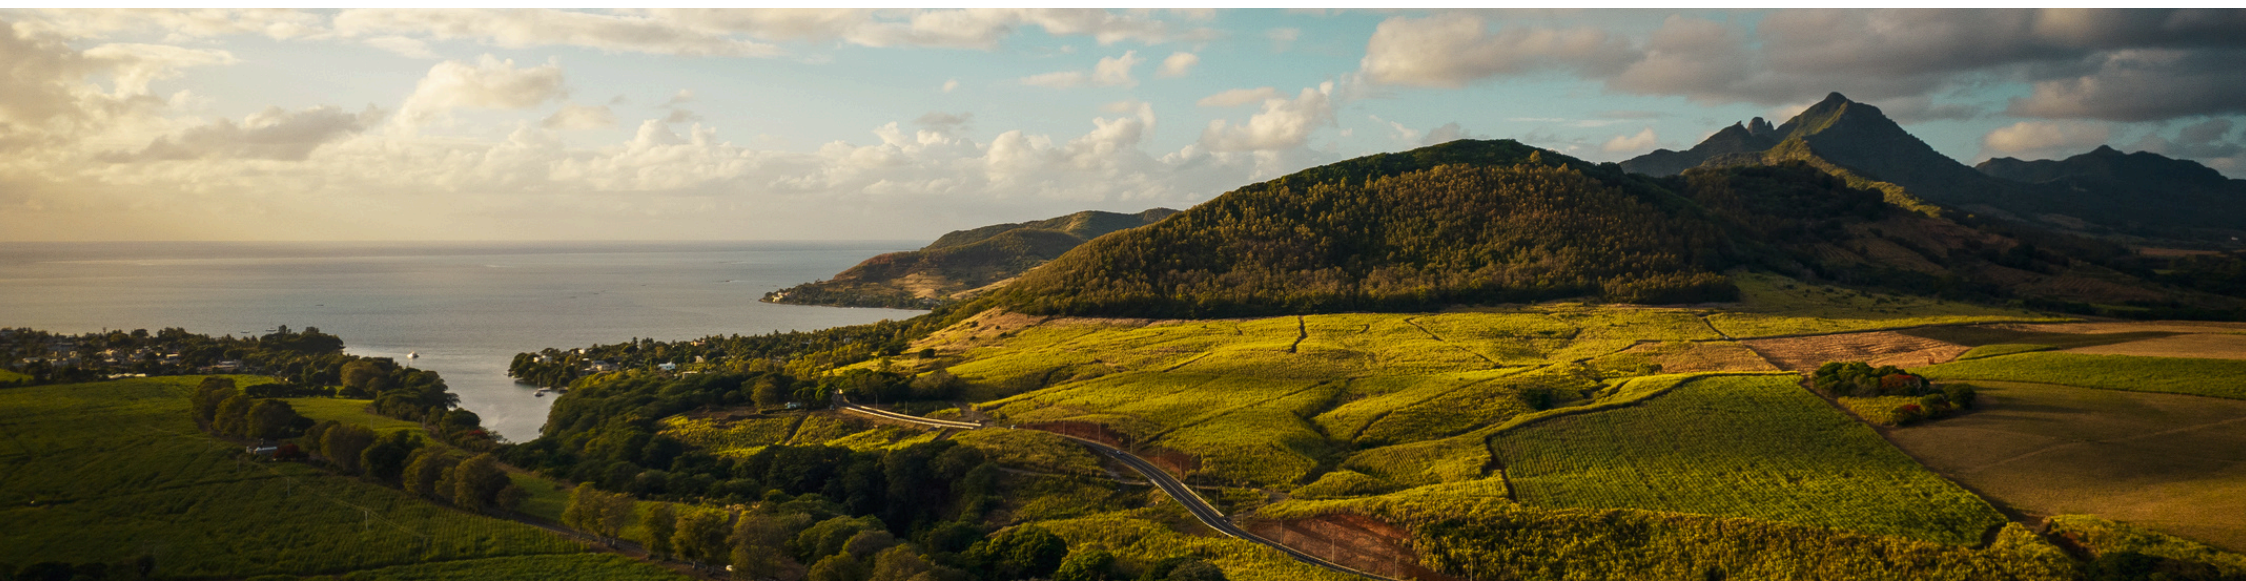

Established in 2008, Anahita Golf Resort (IRS) spans 213 hectares and is renowned as one of the most prestigious residential and leisure estates in the Indian Ocean with a signature golf by Ernie Els and two 5* hotels.

Anahita Beau Champ, a 118-hectare project, focuses on rural integration and residents' well-being. The project will offer new residential opportunities and quality services and facilities to enhance the living experience of future residents and inhabitants of the East.

Situated in the serene village of Trou d'Eau Douce, Soléva represents more than just a typical land development; it is a cornerstone of Alteo's master plan designed to promote prosperity and cultivate a lively, resilient, and joyful community along Mauritius' eastern shores.
